"Big enough for bottles, toys, and changing necessities, this giant **Margiela** tote makes for a very fashionable diaper bag—much cooler than anything from Babies 'R' Us."—JENNY COMITA, Senior Articles Editor (at *Barneys New York*; \$1,095)

"Having a fireplace is the dream of many a New Yorker. I can't imagine a better substitute than this ethanol-burning (and ultrasleek) version by the Finnish firm **littala**. Since it's only available in Europe, though, I'll have to wait till my next trip to buy one."—TIMOTHY McCAHILL, Research Editor (*littala.com*; \$1,300)

"I'd be thrilled to find anything from **Balenciaga** under my tree, but I'm especially hoping for one of these bags—the mix of prints with exotic skins is so fresh."—CLAUDIA MATA, Executive Accessories and Jewelry Editor (at *Neiman Marcus*; \$1,725)

"**Hamilton**, the way-old custom shirtmaker in Houston, just announced its first ready-to-wear collection of dress shirts, with fabrics from Thomas Mason Bespoke and Australian mother-of-pearl buttons. Every shirt is hand-cut and hand-sewn at the Texas headquarters."—COREY SEYMOUR, Senior Articles Editor (at *Neiman Marcus*; \$225–\$265)

"**Stella McCartney**'s black jumpsuit is a fun alternative for holiday parties. It can be worn during the day under a blazer and then easily dressed up for evening with heels and great jewelry."—LINDSEY FRUGIER, Market Editor (at *Stella McCartney*; \$2,135)

"Trainer and nutritionist Ariane Hundt's unique, über-motivating **Brooklyn Bridge Boot Camp** is a challenging mix of cardio, interval training, and strength exercises—using the one-mile span of New York's most picturesque bridge. Now fitness fans can feel the burn in the comfort of their own living rooms, with her new workout DVD—perfect for post-holiday tune-ups."—REGAN SOLMO, Managing Editor (*brooklynbridgebootcamp.com*; \$35)

"This **Bally** coat is all about simple luxury: super-high-quality leather, sleek design, and a removable fur lining."—GARRETT MUNCE, Associate Market Editor (at *Bally*; \$7,150)

"The new handbag collection from **Laura Brachfeld Paraghy** echoes her urban upbringing. The native New Yorker's designs are bold and sexy, with a strong focus on custom hardware and unique, high-end materials."—ANNA DAVIDSON-EVANS, Art Director (*isense.com*; \$900)

"Givenchy designer Riccardo Tisci has collaborated with Baccarat on 200 crystal bottles of **Dahlia Noir**, the brand's new eau de parfum. Only 35—each housed in this very cool case—are being sold in the U.S. Get in line now!"—JANE LARKWORTHY, Beauty Director (at *Saks Fifth Avenue and Neiman Marcus*; \$1,500)

"Continuing my obsession with all things Icelandic, I'm imagining myself way out on a glacier watching the northern lights while swaddled in one of these heavy lambswool blankets by Linda Björg Árnadóttir, creative director for **Scintilla**. Until then, the cool Rorschach-like design—meant to evoke both the face of a fox and the country's rocky, volcanic landscape—will bring a little bit of Iceland into my Brooklyn apartment."—VIRGINIA VANZANTEN, Associate Editor (*scintillalimited.com*; \$750)

"While I'm normally partial to heels, these **Fratelli Rossetti** tasseled loafers look great with a shift dress and give my feet a respite from my Alaïa pumps. Plus, they work well with jeans and a T-shirt on the weekend."—NORA MILCH, Associate Accessories Editor (*fratellirossetti.com*; \$550)

"Aside from being so heavy that it gives your core a workout every time you wear it, **Celine**'s chain-link belt looks so elegant slung around a pair of high-waist pants."—KARIN NELSON, Features Editor (at *Maxfield, Los Angeles*; \$2,450)

"I have a slightly indulgent habit of collecting **Temperley** knits—they're just too cozy and chic! This winter I'm investing in the Lantana cape."—JEANINE CELESTE PANG, Associate to the Editor in Chief (*temperleylondon.com*; \$1,390)

"It takes just a dab of **Chanel** Perfection Lumière Long-Wear Flawless Fluid Makeup with SPF 10 to create a light yet full-coverage finish that lasts all day."—CHRISTINA HAN, Associate Beauty Editor (*chanel.com*; \$55)
